CORPORATE SOCIAL RESPONSIBILITY

The Company believes that contributing to the overall health and wellness of our world starts with lessening our impact on the environment and we remain committed to the highest ethical standards in everything we do - right from research and development to sales and marketing.

The Company's Corporate Social Responsibility involves initiatives on a micro level to include patient health, employee and public safety, nurturing of environment and building sustainable communities. The company also engages with external stakeholders including healthcare professionals, investors, customers, non-government organizations and suppliers in this endeavor.

The Company was required to spend an amount of ₹4.17 crores as CSR expenditure for the financial year ended 31st March, 2019.

Details of CSR spent during the Financial Year 2018-19:

A) Total amount to be spent for the financial year: ₹4.17 crores.

Amount spent: ₹7.79 crores

B) Amount unspent, if any: The company has spent more than the amount required to be spent on CSR during the financial year. With this additional CSR spending, most of the shortfall in the CSR spent during the previous financial years is adequately covered.

C) Manner in which the amount spent during the financial year is detailed below :
